

REMARKS

Claims 1-11 and 21 have been cancelled. Claims 12-16, 20, 23-33 have been amended. Claims 12-20 and 22-33 remain in the application.

Minor changes have been made in the specification, and a new Brief Description of the Drawings section has been added. Changes in the Abstract section have also been made.

A replacement sheet for FIG. 1, and one sheet showing new FIGS. 4-6 are attached. The basis for new Figure 4 is found in claim 14. The basis for new Figure 5 is found in claim 20 where the capillary tube (13) replaces tube (5A). The basis for Figure 6 is recited in claim 23.

No new matter is believed to have been introduced by this Amendment.

In view of the above, it is believed that all claims are in condition for allowance and a notice to that effect is solicited.

Respectfully submitted,

Jean-Yves SOUN
